

Downloading and Installing Adobe® Digital Editions 4 for Use with OverDrive eBooks (NOT for Kindle Users)

Adobe® Digital Editions software is required by several eReader devices (those without a modern browser) to access eBooks from the OverDrive Digital Downloads website. (To determine if your device requires Adobe® Digital Editions, see <http://help.overdrive.com/#devices>.) Step-by-step directions for installing the required software on a Windows computer are included in this handout to help you get started. In this handout, anything that you will click is displayed in a **Bold** font. There are two parts to the initial process.

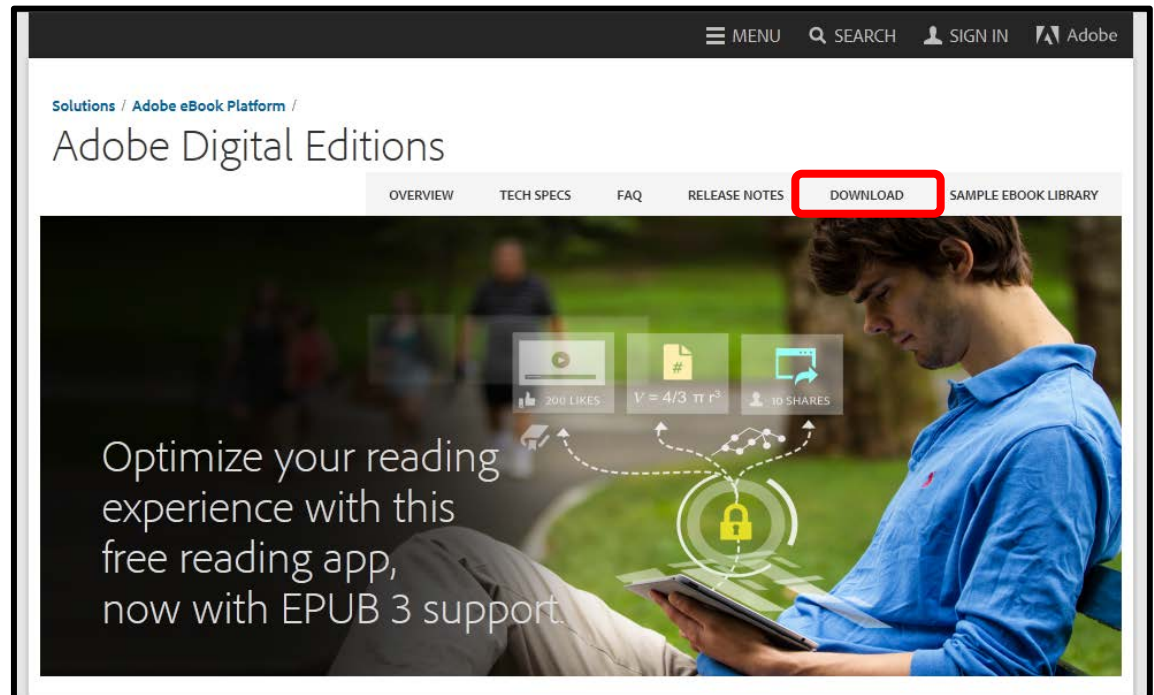

1. Install Adobe® Digital Editions on your computer.
2. Authorize Adobe® Digital Editions with your computer.

These steps only need to be done initially. Once they are completed, you will simply download the eBooks you wish to read into Adobe® Digital Editions on your computer and then transfer them to your device.

Part One: Installing Adobe® Digital Editions on Your Computer

1. Go to www.adobe.com/solutions/ebook/digital-editions.html

2. The Adobe® Digital Editions link will open the Adobe® website. Click the **Download** link to start the process.

3. The Adobe® Digital Editions/Download page displays. You will have the option to select to download Adobe® Digital Editions for Macintosh or Windows. Click the one that is appropriate for your operating system.

Download *sample eBooks* for viewing in Digital Editions

4. If you are using Internet Explorer 9, 10, or 11, a task bar displays at the bottom of the screen. Click **Run**. (Other web browsers should have an equivalent option to “Run” the installer program.)

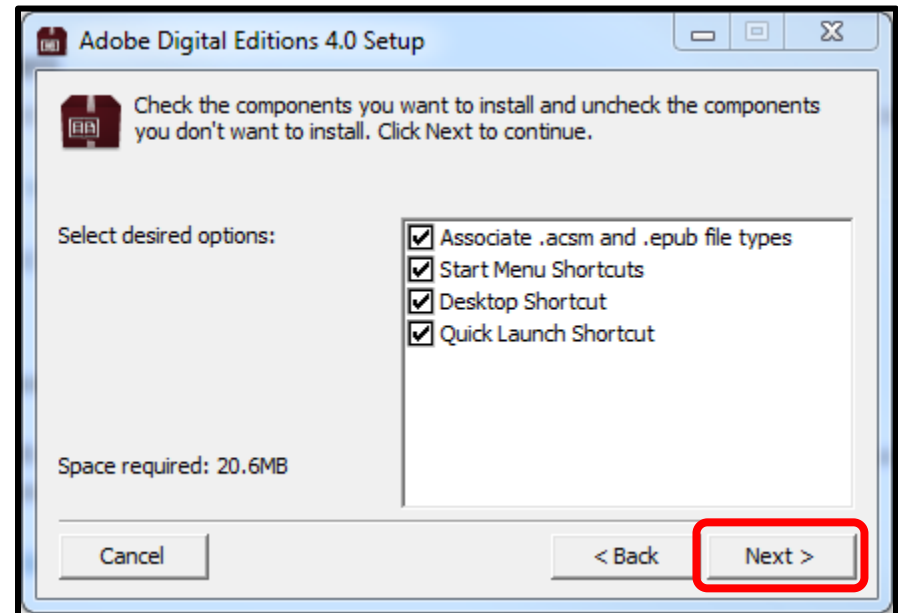

5. A User Account Control window may display with the following message:
Do you want to allow the following program to make changes to this computer?
Program Name: Adobe Digital Editions
Verified Publisher: Adobe Systems Incorporated
File Origin: Downloaded from the Internet
Click **Yes** to allow the installation to continue.

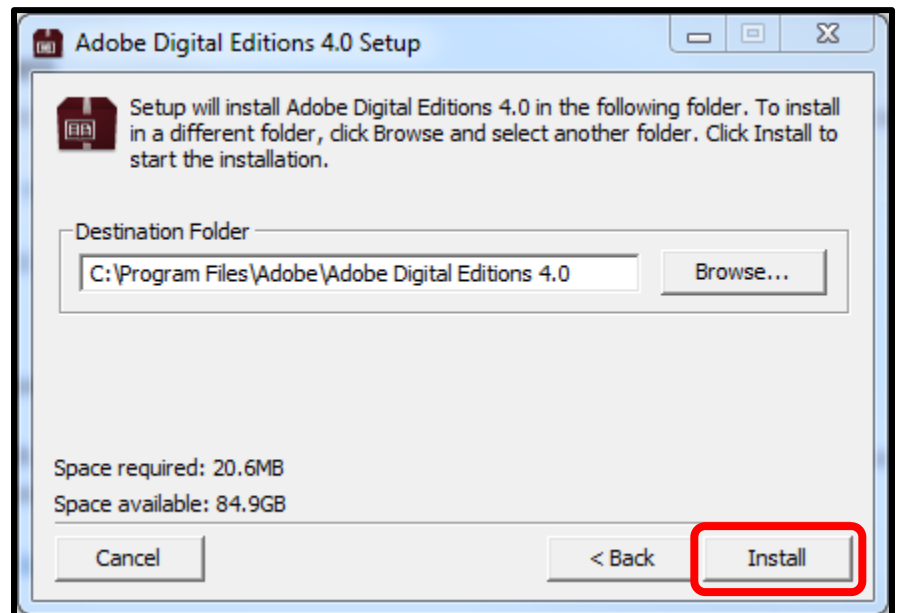

6. An Adobe® Digital Editions Setup: License Agreement window displays. Use the scroll bar to read the agreement, then click the “I accept the terms in the License Agreement” box, and click **Next**.

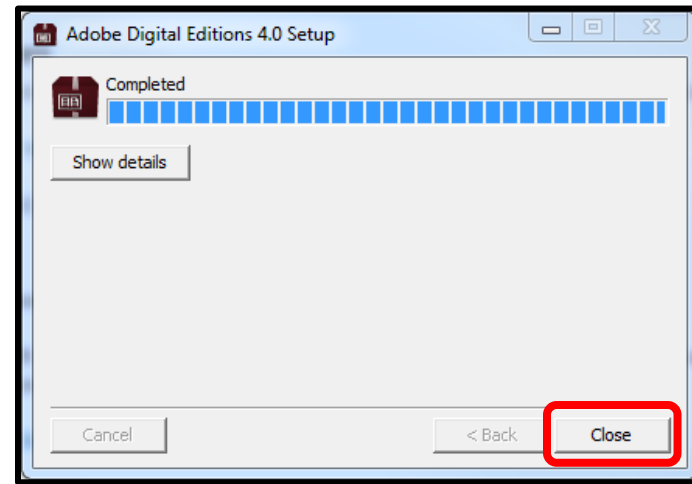

7. Another Adobe® Digital Editions Setup window displays. You can select where you would like to place shortcuts on your computer to launch the program once it is installed. The default setting is to place them on the Start Menu, the Desktop, and the Quick Launch toolbar. Click the boxes to remove checkmarks if you do not want a shortcut in that location. It is highly recommended that you keep the first box “Associate .acsm and .epub file types” checked. Click **Next** to continue.

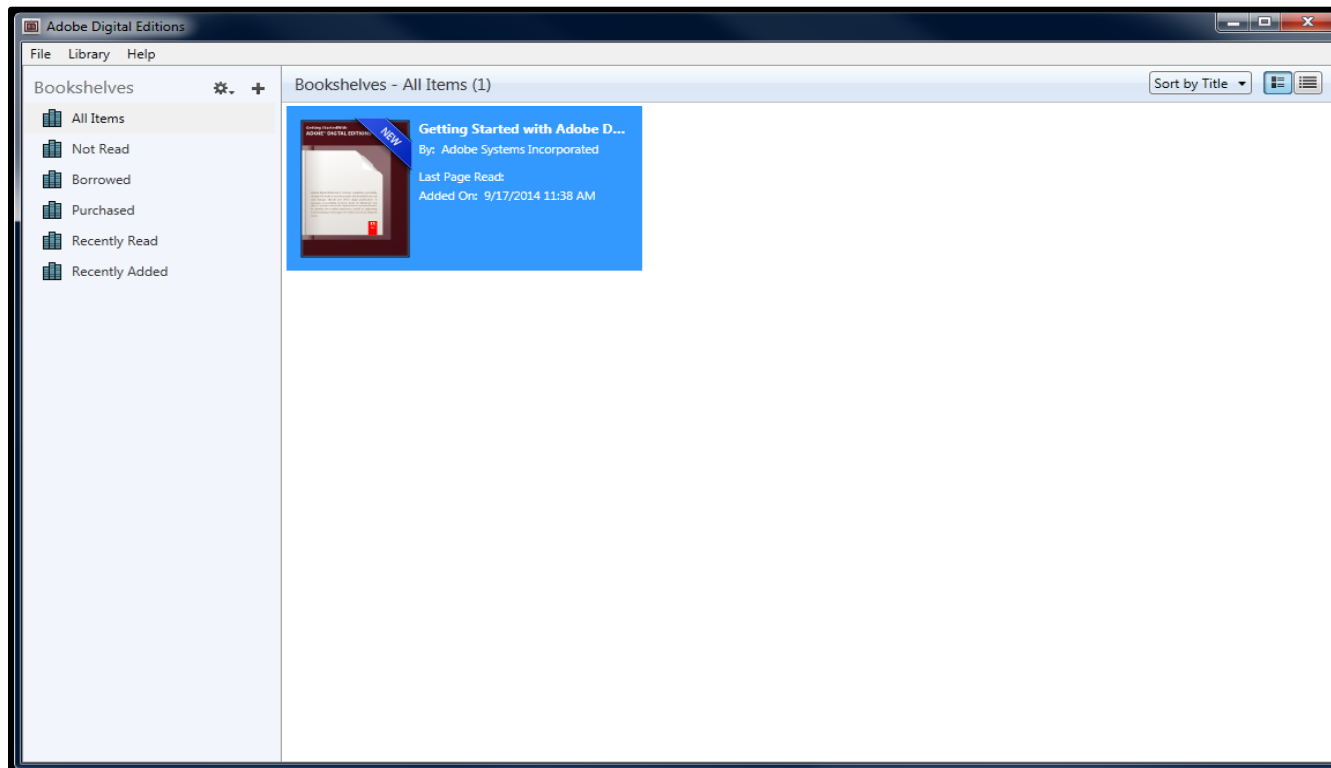

8. The setup continues by offering the option to change the default Destination Folder for the program download. Use the Browse button to change the location or accept the default setting and click **Install**.

9. When the installation is complete, the status bar reaches the right margin and the word **Completed** displays. Click **Close**.

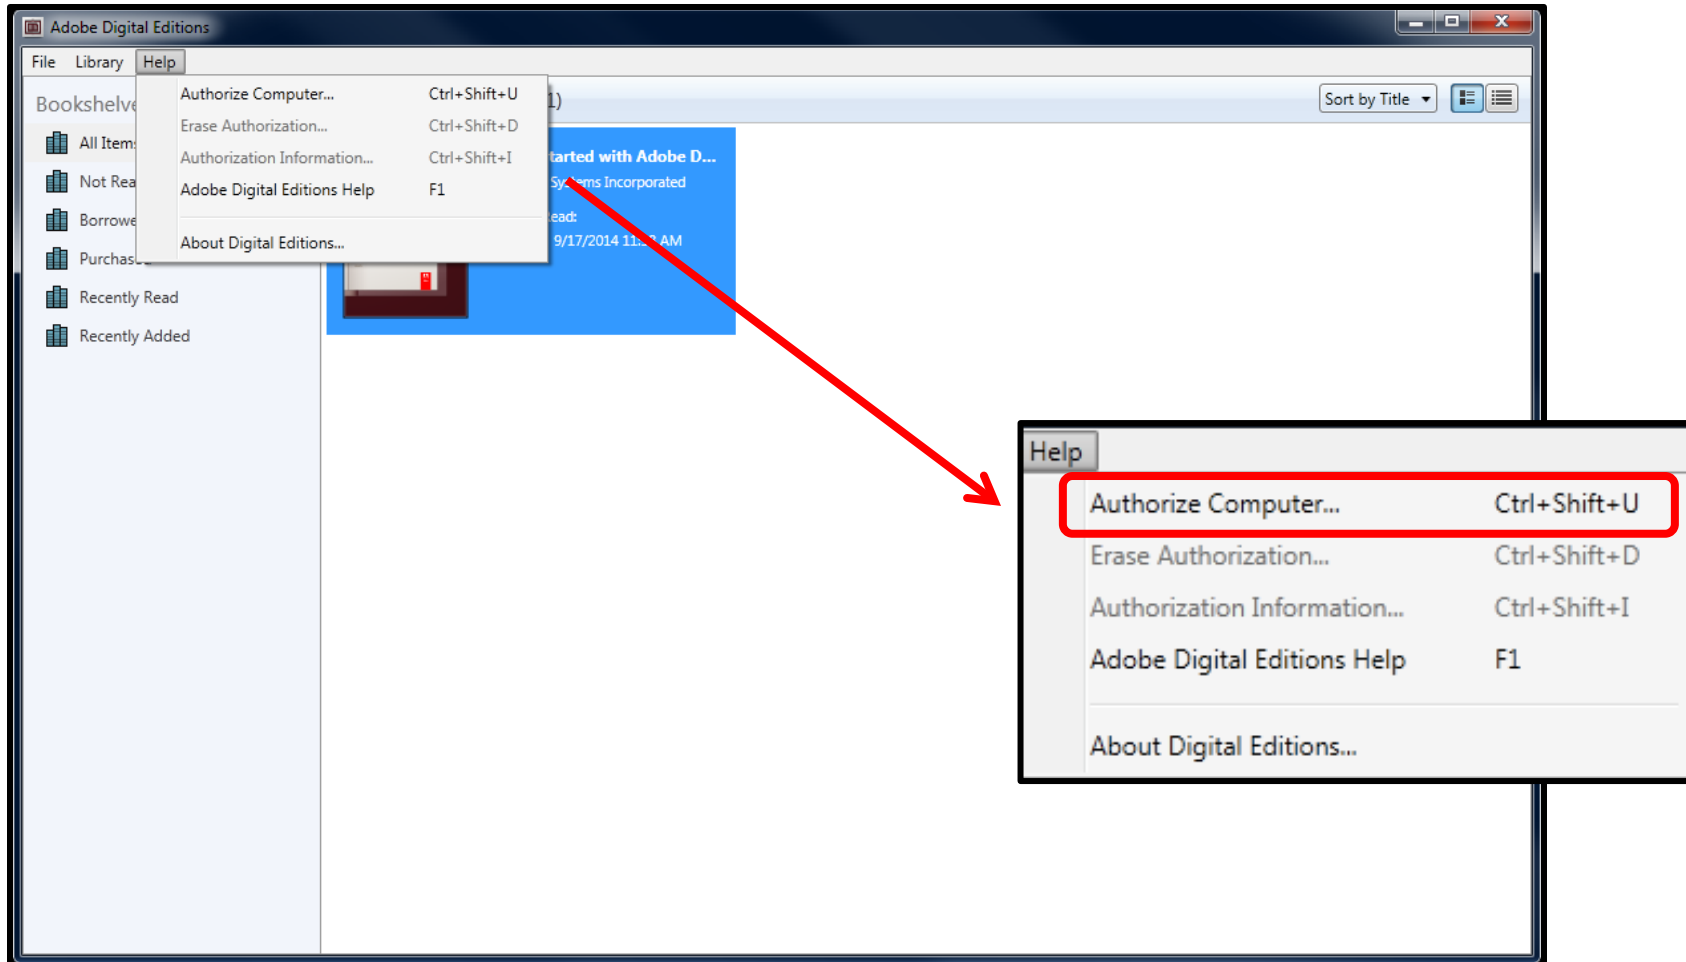

10. Adobe® Digital Editions opens.

Part Two: Authorizing the Computer with Adobe® Digital Editions

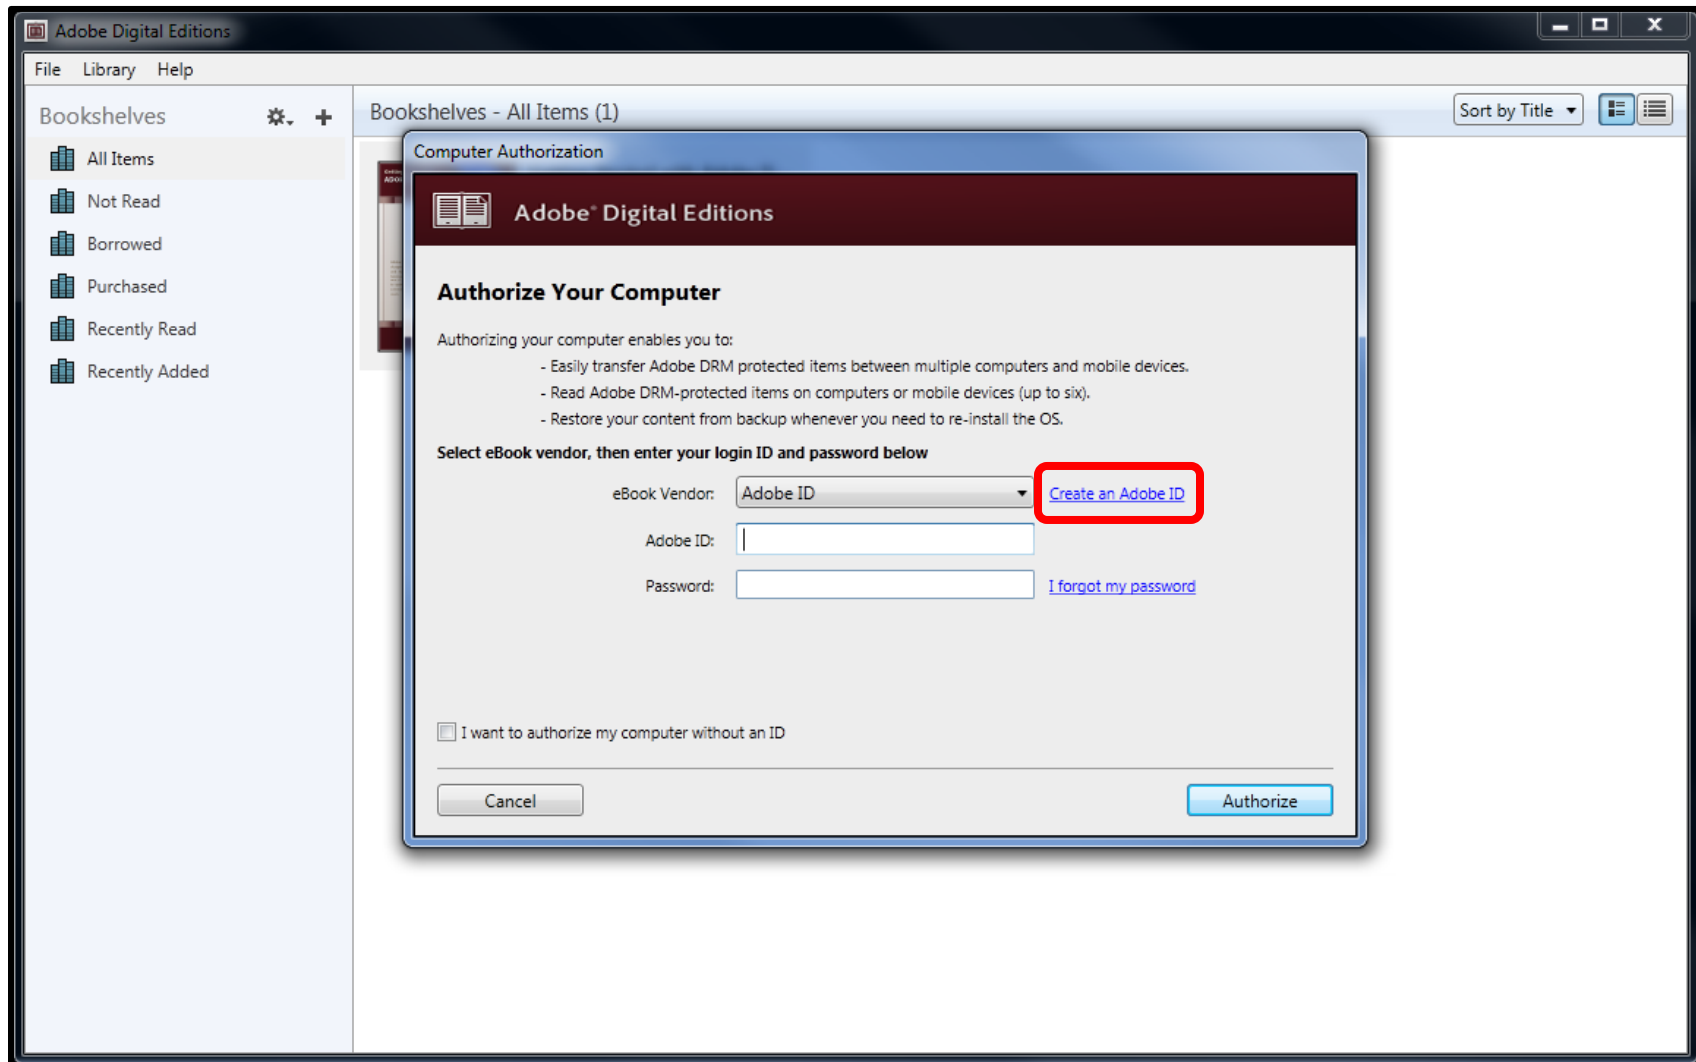

1. Open Adobe® Digital Editions if it does not automatically open after installation. An icon for Adobe® Digital Editions can be found on your desktop if you accepted the default settings of the setup.
2. Click **Help** in the menu bar to display the Help menu options. Click **Authorize Computer**.

3. Enter an Adobe ID and Password if you have one.

OR

Click the **Create an Adobe ID** link.

4. An Adobe ID Sign Up page displays. Complete the registration information. Once all information has been entered, click **Sign Up**.

Authorize Your Computer

Authorizing your computer enables you to:

- Easily transfer Adobe DRM protected items between multiple computers and mobile devices.
- Read Adobe DRM-protected items on computers or mobile devices (up to six).
- Restore your content from backup whenever you need to re-install the OS.

Select eBook vendor, then enter your login ID and password below

eBook Vendor: Adobe ID [Create an Adobe ID](#)

Adobe ID: overdrivekits@mymcpl.org

Password: ●●●●●● [I forgot my password](#)

I want to authorize my computer without an ID

Cancel **Authorize**

7. A dialog box might briefly display stating, “Authorizing Your Computer. Please wait while your computer is being authorized.”
8. Once the authorization is complete, a dialog box stating, “Your Computer Has Been Authorized” displays. Click **OK**. The first time you transfer an OverDrive eBook to your device, your device will be authorized with the same Adobe ID used to authorize your computer.
